LIPPITT'S SPECIFIC. For the Cure of Dysentery. Diarrhaa, and Summer Complaint.
In presenting this justly celebrated Medicine to the publie, we make no rash assertions of its efficacy, nor is any hope held out to the afflicted which facts do not warrant. This remedy having been, for years, used in this place, for the cure of the above diseases and those appertaining to the same class, the Proprietor has been induced to offer it on

a more extensive scale, with a view to lessen the amount of human suffering. I have never known it to fail when the directions have been strictly adhered to.

Many uscless nostrums have been palmed upon the public. and I hesitated for some time, until thoroughly convinced of its efficacy.

CERTIFICATES,
Extract of a letter received from S. J. Carroll. BALTIMORE, January 10th, 1851.

WM. H. Lippitt, Esq., —Dear Sir:—I have no hesitation in saying that your Specific is one of the best Medicines extant for Dysentery, Diarrhaa, &c. You possibly may recollect my case; if it has escaped your memory I will give you briefly the facts. I had tried every thing that I had seen used, but with little success. And after using enough to start twenty-five Homeopathic M. D's., I began to despair, when you kindly offered me your invaluable Medicine, which

when you kindly onered me your invaluable Stedenic, which cured me effectually.

Yours truly,
S. J. CARROLL.

WILMINGTON, N. C., August 14th, 1851.

WM. H. Lippitt, Esq.,—Dear Sir:—I have used your Specific in two cases in my family for Dysentery. In one 4 papspoonfuls effected a complete cure—in the other, three

sure I state that I have used your Specific for the cure of Dysentery, Diarrhea, &c , and have found it to produce the desired effect in every case I used it after the usual remedies have failed. I recommend it with confidence to the public.

Respectfully, &c., J. B. SEAVEY, M. D. SAVANNAH, Ga, December 26th, 1851.—Mr. WM. H. Luppitt,—Dear Sir:—It is with pleasure I acknowledge the wonderful effects of your Medicine for curing Diarrhœa or Bowel complaint, as I am satisfied it was the means, under God, of saving the life, first of tity Child and then of my Brother. As my Brother was given up by two of the most eminent Physicians in this place, Drs. Richardson and Wregg, and when I consulted the latter as to the propriety of trying it on him so low, he said I might to satisfy myself that I had would be of any use to him. But thank God he was mistaken, as we saw the salutary effects in 24 hours, and in ten days he was able to be out of bed. I remain yours, yery truly and gratefully, WM. H.
